How Does It Work

EnergyShare® can help in two ways:

Helping Pay My Bill

EnergyShare® helps with energy bills for any type of heating or cooling (oil, natural gas, kerosene, propane, wood, and electricity).

You may be eligible if you:

- Need your service reconnected.
- Need help keeping your payment plan.
- Have received a Budget Billing removal notice.

Local agencies look at applications and decide who is eligible. If approved, the payment is sent directly to your energy company.

Help is available all year:

	Heating	Cooling
Dates	Oct. 1 – May 31	June 1 – Sep. 30
Benefit Amount	Up to $600	Up to $300

- If you're 60 years of age and older, you may qualify for help more often.
- Military veterans and people with disabilities may qualify for an extra $500. To qualify you must be enrolled in an approved voucher program through one of these organizations:
  - Virginia Department of Veterans Services
