## Energy Assistance

Translate this page into a different language.

Energy Assistance programs help eligible households pay heating and cooling bills and manag home energy emergencies. Programs have seasonal open application periods. **Learn more** abo Energy Assistance.

### Cooling Assistance

Cooling Assistance is a program designed to help keep vulnerable Fairfax County residents coo during the summer months. To be eligible, at least one household member must be: 60 or older younger, or disabled according to Social Security, Medicaid or 100% Veteran's Admini

**The open application period for Cooling Assistance is from June 15 - August 17, 2026.**

Cooling assistance can help with:

- Payment of electric bills to operate cooling equipment.

-up, of one air conditioning unit (window or portable)
rking cooling equipment in the home.

**Additional Cooling Resources**

- **Senior Cool Care Program**: If you're 60 or older, you may also be eligible for a fan or air conditioning unit through the **Senior Cool Care Program**. To learn more, please call the Agin Disability & Caregiver Resources Line at **703-324-7948**.
- **AC Rescue**: If you are not eligible for Cooling Assistance, you may be eligible for small air conditioning (AC) equipment through the AC Rescue program, operated by Fairfax County's Office of Environmental and Energy Coordination (OEEC). **Learn more**

## Fuel Assistance

The Fuel Assistance Program helps eligible households in meeting their energy needs by supplementing the cost associated with their primary heat source. Eligible households must me income requirements.

**Open application period for the Fuel Assistance Program is the second Tuesday in October thr the second Friday in November.**

Approved applicants will be notified of their benefit amount in late December. Payments begin i January and continue through April or until the benefit has been exhausted.

## Crisis Assistance

The Crisis Assistance Program is designed to help households overcome energy emergencies t cannot be met by other resources. An energy emergency is determined when a household has heat or is in imminent danger of being without heat. Crisis Assistance offers assistance with one more of the following:

- Payment of primary heat source utility bills.
- Payment of security deposits for primary heat utility.
- Purchase of primary home heating fuel when the fuel supply is low.
- Repair of inoperable or unsafe heating equipment.
- Replacement of heating equipment for homeowners only (when repair is not pos
- Provision of supplemental heating equipment/maintenance.

**Open application period:**

- **November 1 through March 16** for heating equipment repair/ purchase/maintenance and a one-time only heat security deposit.

" for a customer will be based on a percentage of the household's income and primary heat source.

- 10% of gross monthly household income when the household has electricity as their primary heat source or
- 6% of gross monthly household income when the household does not have electricity as the primary heat source.

Each month a customer makes the required PIPP payment on-time and in-full, the customer:

- Avoids new utility debt
- Reduces old utility debt

A portion of the customer's actual account balance is removed through incentive credits applie the account.

- A credit for the difference between the current bill amount and the PIPP Amount due.
- A 1/12th credit of their past due balance (calculated at enrollment) is applied to the accoun
